Dear Martin,

This was our fifth annual golf day, and I would like to say definitely the best. Of course the weather helped, but I cannot speak highly enough of how well you and your staff treated my guests.

The course was in superb condition even if my golf was not quite of the same standard! Everybody who came commented on how superb the greens were! Excellent!

So thank you very much for a tremendous day, and of course I look forward to seeing you next year.

Yours sincerely

JJH Baker (Partner)
