

**Stockwood Vale Golf Club Committee Meeting
April 6th 2022**

Present: M Edenborough, A Yeatman, J Baker, L Cheal, A Hooper, P Dawson,
A Jordan (minutes)

Apologies: I Haddon, J Gray

The minutes of the previous meeting were agreed.

Matters arising from previous minutes

Carried over from the March meeting: The feasibility of entry fees and prizes to be investigated for the Winter Knockout competitions.

ME: A method for accepting entry fees by card has been designed. There may be some initial problems but it is expected that any glitches will be quickly rectified.

Treasurers Report:

These will be provided at next month's meeting.

Matters arising prior to meeting and answered in advance:

JB: Can all bank card or membership card transactions be receipted?

ME: Everyone will now be offered a receipt following payment.

New Items for discussion:

There was a request from a member to have the criteria for entry to the Summer Knockout relaxed.

It was agreed by the committee that the existing rules were equitable and fair. It also recognized that a number of members had made the decision not to enter because they did not meet the criteria.

ME will write to the member concerned with a full explanation.

AH: Some clearance work has taken place at the back of the 6th tee. There are two trees or large shrubs remaining. If these were removed it would provide an opportunity to open up the vista towards the 5th fairway from the 6th tee bench.

ME: Mike and I have had a look at this area but feel the removal of established trees to improve the view would not be practicable at this time.

AOB:

PD: Please can the height of the netted walkway between the 14th and 15th be increased to enable umbrellas to remain open when passing through.

ME to investigate.

AH: The 2021 Main Club Charity Fund payment has not yet been generated. Kevin Blakeley has requested that a date be set for payment to be made.

ME will raise this issue with John Gray.

ME: There is a great deal of course improvement work planned for the coming weeks. Some will take a while to fully complete and parts of the course, especially the area around the Yellow Tee 15th / Red Tee 3rd, will look a bit untidy in the interim.

Date of the next meeting – Wednesday May 18th 2022 at 19:00
