

**Stockwood Vale Golf Club Committee Meeting  
September 14<sup>th</sup> 2022**

**Present:** M Edenborough, A Yeatman, J Baker, A Hooper, I Haddon, A Jordan  
(minutes)

**Apologies:** P Dawson, L Cheal

**The minutes of the previous meeting were agreed.**

**Matters Arising.**

Replacement tee box markers are on order to replace the old style markers on Holes 5 and 8.

**Treasurers Report:**

AY has now provided details of expenses associated with the Captain's Charity Day.

The end of year for accounting purposes is September 31<sup>st</sup>. Every effort should be made to ensure all monies are paid to the club before that date.

**Matters arising prior to meeting and answered in advance:**

**New Items for discussion:**

- Entry fees and prize money for Knockout Competitions:  
Whilst it is possible to take payment of entry fees for competitions which are held on a single day, the logistical and accounting issues surrounding Knockout competitions mean the club is currently unable to accommodate the payment of entry fees for Knockout competitions. Until we have a computer system capable of both automated entries, and the payment of fees, there will be no entry fee for Knockout competitions.
- The email asking for nominations for Club Vice Captain has been issued. The email asking for nominations for the Club Committee posts will follow soon.
- The Club will be closed on Monday September 19<sup>th</sup> – the day of the funeral of Her Majesty Queen Elizabeth II

- ME wished to clarify the club's rules concerning the use of buggies: Buggies are allowed for any and all internal competitions. There is no requirement for the user/passenger to have a disability, health condition or a letter from a health professional. However, other clubs will have their own rules and there are some external competitions whose rules do stipulate that a medical exemption letter is required for a buggy to be used.

**AOB:**

ME: The purchase of a defibrillator to be sited by the 11<sup>th</sup> Tee is still ongoing.

ME: A reminder that work on the paths will take place next week and there will be some disruption.

**Date of the next meeting – Wednesday October 5th 2022 at 19:00**
