Dear Ryan

It is with a great many thanks we write following our Golden Wedding Lunch yesterday. Everyone thoroughly enjoyed themselves and commented on the quality and quantity of food and the high level of service.

Please will you thank all staff responsible for their hard work. We were made to feel very welcome and put at our ease. The food was delicious and plentiful and the service excellent.

Very many thanks to you personally for your help and attention. We would not hesitate to recommend you.

With our best regards
