Dear Mr Edenborough

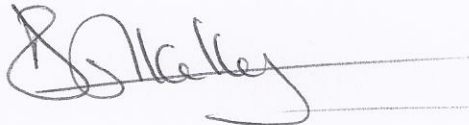

I would just like to thank you on behalf of the Gloucester and Somerset PGA for kindly allowing us to host one of our medals at Stockwood Vale golf club this winter.

The course, as we have come to expect, was once again presented brilliantly for us. This is a glowing testament to yourselves and your green staff considering the weather, which we have had to contend with recently.

The warm welcome we received both before and after the competition took place was commented on by a number of the professionals taking part and we would once again like to thank you for that.

We would be delighted to be able to book your venue again next year and I am sure I won't be the only competitor keenly looking to return to your course again.

Kind Regards

Daryl Kelley
