Dear Martin,

Re: Somerset Ladies County Fowler Brooches 2014

On behalf of Somerset Ladies County Golf Association, I would like to thank you for hosting the above competition. The players enjoyed the day immensely and found the course in super condition., the catering excellent and even the weather was kind to us. Please pass on our thanks to all concerned.

Your Lady Captain and her committee worked extremely hard to make the event run smoothly and your assistance at the computer ensured that the day ran smoothly and we finished in good time.

It was a pleasure for myself and Sandra to run this event at Stockwood Vale and we hope that you will be happy to host future SLCGA competition s.

Thank you again for all your help and support.

Kind Regards

SLCGA Competitions Secretary
